## NAVNAW President invites you ...

Dear Delegates and Esteemed Colleagues,

On behalf of the *National Academy of Veterinary Nutrition and Animal Welfare* (NAVNAW), it gives me immense pleasure to welcome you to the VII Annual Convention and National Conference of NAVNAW, being held from 16-17<sup>th</sup> October 2025 in the vibrant city of Bengaluru, Karnataka.

NAVNAW was envisioned and established by the Pashu Poshan Kalyan Samiti (PPKS) to promote excellence in veterinary nutrition and uphold the principles of animal welfare through education, research, and professional collaboration. Since its inception in 2011, NAVNAW has emerged as a dedicated platform committed to advancing knowledge in livestock nutrition and advocating humane practices that align with India's ethos of compassion for animals.

This year's conference "*Livestock Nutrition and Health Care Translating to Human Wellbeing*" reflects our continued commitment to addressing the nutritional challenges in the livestock sector, while also highlighting their far-reaching impacts on public health and sustainable development.

NAVNAW takes pride in fostering a culture of recognition and encouragement among educators, scientists, and students. We have instituted prestigious awards such as the Dr. K.C. Sen Memorial Award, Dr. S.K. Ranjhan Innovation Award, and the Young Scholar Award in Veterinary Nutrition, all aimed at motivating excellence in teaching, research, and translational technologies that benefit both animals and society. I invite you to actively participate in this intellectual celebration—share your insights, collaborate across disciplines, and contribute to a future where animal nutrition supports not only productivity but also dignity and welfare.

Let us join hands in reaffirming our commitment to science, sustainability, and the sacred bond between humans and animals.

**S. P. Tiwari**  
**President, NAVNAW**  
**(Former Vice Chancellor, NDVSU, Jabalpur)**

## Organizing Committee Chairman Welcomes...

On behalf of the ICAR-National Institute of Animal Nutrition and Physiology (ICAR-NIANP), I am delighted to extend a warm welcome to all the delegates, including scientists, animal nutritionists, professionals from the feed industry, development agencies, officials from the Ministry, agriculturists, veterinary professionals, biotechnologists, academicians, research scholars, animal activists, students, corporate bodies and NGOs, to the **“VII National Conference of National Academy of Veterinary Nutrition and Animal Welfare (NAVNAW) 2025”**.

The main mission of the Institute is to enhance efficiency, profitability and welfare of livestock and poultry by conducting fundamental and strategic research on the nutritional and physiological aspects. Aligning with the mission of the institute this conference is a significant initiative to improve animal welfare by addressing critical challenges in animal nutrition and physiology. Our aim is to develop feeding systems that are not only efficient and sustainable but also resilient to climate change-benefiting both animals and humans.

Bengaluru, the Silicon Valley of India, is one of Asia's fastest-growing cosmopolitan cities, home to some of India's most advanced research institutions. Its pleasant climate and vibrant culture make it an ideal destination for work and leisure. I am confident that ICAR-NIANP will be an excellent host for the delegates of NAVNAW-CON 2025. We look forward to your active participation and to making this event a grand success.

**Artabandhu Sahoo**  
**Director, ICAR-NIANP**
