

ICAR-NIANP organized Livestck Fertility Camp

A Fertility Camp cum critical nutrient distribution was organized at Doddanthya Village, Kanakapura Taluk near Bengaluru on 15th March 2023 under SCSP programme. Dr A. Arangasamy Pr. Scientist and Dr. Krishnappa B, scientist, distributed the critical nutrient packets developed by ICAR-NIANP to dairy farmers. Twenty-two dairy farmers belonging to Scheduled Caste presented their animals (38 Adult animals and 17 Heifers) for various reproductive health check-up. The reproductive issues such as stunted growth and delayed puberty repeat breeding, anoestrus and pregnancy diagnosis were addressed and farmers took the benefit of the fertility camp and received the ICAR-NIANP developed critical nutrient packets.
