

ICAR-NIANP organizes training programme under DAPSC

ICAR-NIANP Bengaluru organized one day farmer training programme on “scientific feeding practices for dairy animals” under the DAPSC (SCSP) scheme on 26th July 2023. SC dairy farmers (26 numbers) from Anajwadi Doddi village of Kanakpura Taluk, Karnataka participated in the program. During the training programme, various feeding pattern about fodder grasses, Azolla cultivation, Silage making, and scientific dairy farming issues were explained to the farmers. The reproductive issues such as importance of calve to cow- rearing and feeding were discussed. The training was conducted by Dr Arangasamy, Dr Krishnappa Balaganur and Dr. Giridhar K.
