## **SERB sponsored High-end workshop (KARYASHALA) on “Advances in Nutritional and Biotechnological Approaches in Improving Productivity in Farm Animals”**

ICAR – National Institute of Animal Nutrition and Physiology, Adugodi, Bengaluru has organized a DST-SERB sponsored (**Under Accelerate Vigyan scheme**) 10 days Karyashala on “Advances in Nutritional and Biotechnological Approaches in Improving Productivity in Farm Animal” from 01<sup>st</sup> to 10<sup>th</sup> March 2024.

The program was inaugurated by Dr C.S. Prasad, Former Vice-Chancellor, MAFSU, Former Director, ICAR-NIANP and Former ADG, ICAR on 01<sup>st</sup> March 2024. The Chief Guest emphasized the need for updating and applying the advances in genomics for avian research and also maintenance of high-end laboratory equipment. Dr. NKS Gowda, Director (Acting), ICAR-NIANP emphasized the significance of the Karyashala in the context of learning the molecular tools and techniques and its applicability while doing P.G/Ph.D.

The Karyashala provided an opportunity to acquire specialized research skills and gain hands-on experience. A total of 88 applications were received and up on scrutiny, twenty students (PG and Ph.D. Level) from 07 different research disciplines primarily from the state & central universities, colleges, and other academic institutions (10 institutes) from 10 different states of India have participated in this Karyashala.
