

ICAR-NIANP under ATMA programme on 15th Nov 2018

20 Dairy farmers from Virudhunagar district of Tamilnadu along with two officials of Agriculture department visited ICAR-NIANP under ATMA programme on 15 November, 2018 for training cum field visit. Drs S Anandan and S Selvarjau delivered lectures on the general guidelines of feeding and fertility management, respectively. Later, the farmers visited the plots of different forage crops at the Institute. Demonstrations on silage making in plastic drums, pruning of fodder trees, Azolla cultivation and NIANP method of grain sprouts production were given. Root slips of marvel grass and Azolla culture were distributed to the farmers.
