

ICAR-NIANP organized Livestock fertility Camp under SCSP programme.

Dr Arangasamy Principal Scientist and Dr Krishnappa Balaganur Scientist organized the Livestock Fertility Camp at Anajawadidoddi, Kanakapura Taluk on 1st February 2023 under SCSP programme. Over 30 dairy farmers presented their animals for various reproductive health check-up. The reproductive issues such as stunted growth and delayed puberty, repeat breeding, anoestrus and pregnancy diagnosis were attended and farmers took the benefit of the fertility camp.
