

ICAR-NIANP conducted AICRP Review Meeting on 12th February 2024

ICAR-NIANP hosted the AICRP Review meeting on “Nutritional Physiological Interventions for Enhancing Reproductive Performance in Animals” on 12th February 2024.

Dr Raghavendra Bhatta, Deputy Director General (AS), ICAR Chaired the review meeting and Dr A.K Tyagi, Co-Chaired the meeting. The DDG emphasised the importance of this AICRP in addressing the fertility issue, thereby enhancing the income of farmers. Dr AK Tyagi opined that the scope of work is to be limited to the mandate and objectives of the project for delivering significant outcome. Dr NKS Gowda, Director, ICAR-NIANP (Acting) presented the overall report of the project and salient achievements made. Principal investigators from 10 participating centers attended the meeting and presented the progress of work. Both the DDG and ADG appreciated the work and suggested to focus on the key aspects and come out with good publications and impactable deliverables.
