

ICAR-NIANP organizes Animal Fertility Camp

Animal Fertility camp was organized by ICAR-NIANP at Doddathandya Village, Kanakapura Taluk on 26th June 2024 under the DAPSC programme. Fourteen dairy farmers from Scheduled Caste presented their animals (29 Adult animals and 7 Heifers) for various reproductive health check-ups. The reproductive issues such as stunted growth and delayed puberty repeat breeding, anoestrus and pregnancy diagnosis were addressed and farmers took the benefit of the fertility camp. Fertimin Plus feed supplement packet also distributed to SC farmers.
